

CLUB ACTIVE – Lifestyle membership 2023 /24

QGC introduced the Club Active Lifestyle Membership category in 2022.

Club Active is a 'points based' lifestyle membership catering for those members not requiring the inclusive benefits of full playing membership. Club Active membership costs \$1200 for 1100 pts (plus a \$100 account credit). Points are deducted based on the day of play and the number of holes played ie. more points are required on a Saturday (high demand) than a Monday (low demand). Points will be managed through the MiClub Management System and all bookings are to be made through MiClub. Competition fees are not included.

Club Active membership will need to be considered carefully as there are a number of restrictions. Club Active members will be ineligible to play Club Championships or represent pennant teams.

Club Active membership fees will be required to be paid in full with points reverting to zero at the end of the financial year. Additional top-up points can be purchased in the event that the initial 1100 allocated are fully expired.
